The Purpose of these Webpages

Soon after joining A V O N Cosmetics Ltd as an Independent Sales Rep in June 2012, Richard created these archive pages to make it easy to access the provided online database resource.

This proved popular because it was often easier to search for a particular item rather than flicking through the pages of the physical brochure.

During the Summer of 2018, A V O N 's transformation to fully embrace the power of the Internet, rendered these archive webpages unnecessary and the database to which they were connected is no longer accessible.

As of November 2019, A V O N has further enhanced the online shopping experience. For local customers, the emphasis is on the personal relationship between the Avon Rep and the customer whereas visitors to a Rep's online webshop will deal direct with A V O N ...

A local A V O N customer will now be expected to agree the most convenient method for placing and receiving A V O N product orders using one of the available communication methods...

New ways to shop with A V O N ~~NEW~~

Please visit the 'Rep Hub' at Richard's online A V O N web Shop (top right, below Shopping Bag) and navigate to the 'Instant Brochure'. Click the 'Share Now' button, select items and send by **Whatsapp** to **07492548789**.

Alternative methods include, taking a screen print of an order in the webshop 'shopping bag', photographing a completed order form or searching through the [online brochure](#), noting the page number and item number of those products you wish to order and entering these into [an email template](#). Richard will be able to respond with a confirmation email which will advise you about product availability.

For those who prefer the traditional method whereby a current A V O N brochure is delivered to their home address to be collected shortly thereafter, Richard will be pleased to arrange this. Please call **01794-341405** and/or send an email request by [clicking here](#).

Register your email address at Richard's A V O N [online Shop](#) (near the bottom of the page) to be kept informed about new products and offers.
